1. Table I of Appendix lists first quarter 1956/gross production  
50X1-HUM  
at fixed plan prices (Brutto-Planerfuellung zu unveraendlichen

Planpreisen). Values are in thousands of DME and amounts are in  
metric tons unless otherwise specified.

2. Table II lists planned and actual production (Abgabeproduktion)  
at planned plant sales prices. Values are in thousands of DME.

3. Table III lists planned and actual production (Abgabeproduktion)  
at actual plant sales prices. Values are in thousands of DME.

4. Table IV ~~xxxx~~ shows raw material availability for the first  
quarter of 1956. All amounts are in metric tons .

5. Table V lists amounts of raw material processed to form finished  
products and amounts of main production (first production) for the  
first quarter of 1956. All amounts are in metric tons.
